

Take Control of Your Healthcare

Make it easy with the new NextGen® Patient Portal

How can it help me?

The *new* NextGen Patient Portal helps you conveniently and securely connect with your (or your dependents') doctor, manage care, and view health information on a web-enabled device.

Features available (varies by practice):

Messaging

Ask your doctor or care team a question share an update and/or send an attachment

Appointments

View and request appointments

Medications

Request refills and/or renewals and review your prescription medications

Health Record

View visit summaries, lab results, and other documentation

Three easy steps to get started

- 1 Provide a valid email address to your doctor's office. You'll receive an invitation to enroll.
- 2 Create a username and password, then follow onscreen prompts to activate your account.
- 3 Use your username and password to securely stay in touch with doctors and access your health information anytime, anywhere.

Ask us about managing your health using the *new* patient portal!
